

NIRMALA ARTS & SCIENCE COLLEGE

MULANTHURUTHY, ERNAKULAM
(Affiliated to Mahatma Gandhi University, Kottayam)

INTERNAL QUALITY ASSURANCE CELL (IQAC)

ACTION TAKEN REPORT 2017-2018

- To improve the teaching-learning process in the campus, all HoDs conducted a result analysis of their departments and submitted the same to IQAC.
- To increase the competency of the students all departments provided add-on and certificate courses.
- An induction program for the first-year students was successfully conducted providing an inclusive and supportive environment for the transition into college life.
- Mentor-Mentee system was introduced to evaluate and identify students of different levels to provide necessary assistance to their respective learning levels.
- As per the suggestion of IQAC in its meeting held on 20/07/2017, an audio-visual room was setup to ensure the quality of infrastructure and curriculum delivery in the College.
- Departments and various clubs organized more skill development programs/student centric programs like extension and out-reach, career development programmes, capacity building workshops and also, they conducted different programs related to various commemorative days.
- Updated format of course plan and monthly statement of work done is successfully implemented.
