#### **Brief Report**

Physical comforts are increasing day by day but at the cost of increase in mental stress. Students spend most of their time in college. Due to continuous mental work, peer pressure and family problems mind become stressed. Around these thoughts, one- hour session by Ms Anjitha Mary CJ, Head of the Psychology department was given to First year UG students of the Department of English on 1<sup>st</sup> November 2019. The session began with a simple breathing exercise. It helped the students relax and concentrate which was the mantra for the day “Relaxing helps reduce stress”. Various tips were given on how to maintain a healthier lifestyle and to prepare you to cope with the stress of everyday living which seemed very useful and efficient to reduce the stress. There were discussions in between and at the end of the session in which the doubts and queries of participants were resolved. The session gave the students and the faculty members an opportunity to learn how to manage stress in their daily lives.

### YES PLUS YOUTH EMPOWERMENT PROGRAMME

Date	: 9 <sup>th</sup> December 2019- 12th December 2019
Mode/ Venue	: Auditorium
Resource Person	: Mrs. Shalini S
Number of Participants	: 57
Person in Charge	: Revathy S

#### Brief Report

Youth empowerment is a process, to encourage youth by all means. It is an effort towards making a course for them to sustain and adapt as per the situations. It aims at improving the quality of life youth are living. It is about making them grow and developing their skills. When our youth is equipped with the essential skills, those skills will help them to lead a better life later. PG department of commerce NASC Mulanthuruthy in association with IQAC conducted a Yes Plus Youth Empowerment Programme from 9th to 12th of December 2019. The 4 days session was conducted for M.Com students. 28 students from second year and 29 students from first year m.com attended the session. The sessions were really interesting as the students were interactive and co-operative. The coordinator of the programme was Mrs. Revathy S. (Assistant Professor).

The programme helped the students to understand the importance of soft skills training and education that will definitely lead towards making a better standard education system. It also enables the students with a mindset that helps them to differentiate between what is wrong and what is right and choosing a path of justice, truth, and peace.

### **Add on Course Report**

### **PC Hardware Maintenance**

Nirmala Arts and Science College in association with Delta Soft conducted a 30 hours Add on Course Programme titled “PC Hardware Maintenance” to empower students with the skills and knowledge to clearly understand and successfully diagnose PC systems to give a detailed understanding of different computer hardware elements. It will help to master the fundamentals of personal computer operation and learn how to assemble a PC from scratch, installing and configuring a system based on Windows, and hardware and software troubleshooting. This course will provide with theoretical and practical training on how to assemble, disassemble, configure and repair computer systems. Students from the Department of Computer Application enrolled for the course. Students can pursue this certificate programme along with their regular degree programmes. This year, the 30 hours programme was started on 21<sup>st</sup> December 2019 and ended on 1<sup>st</sup> February 2020. There were 25 students enrolled during this academic year.
