Brief Report

The Women's cell of Nirmala Arts & Science College, Mulanthuruthy conducted a self-defence training session on 03rd March 2022. The session was handled by Sensei. Spark David V. He is a karate instructor who got his 6th degree black belt from Okinawa, Japan and is currently working as a faculty member at Rajagiri Public School. He came along with four of his students who helped us to learn each and every move better. They showed us four basic moves and taught us how to implement them in a situation. The class was really interesting and productive for over 100 students who attended the session. In the current society it is important for a person to learn self-defence as help won't be available at all times, and in a crucial situation, one needs to defend themselves.
