

Nirmala Arts & Science College, Mulanthuruthy

ANNUAL REPORT 2018-2019

Warm greetings to all

It is with enormous pleasure that I stand before you to present a brief report of the activities of the college during the academic year 2018-19.

With 12 years of academic excellence in educating and empowering thousands of students to contribute artistically and fruitfully to the society, Nirmala Arts & Science College is heading towards educational quality and I am truly honoured to be part of the family. This is achieved with the endless teamwork of the management, staff and the students that the college is able to reach where we are today.

The students of the college are given equal prospects to nurture and prosper in their life to be treasured to humanity. We also offer them the right platform to advance their distinct talents. In this voyage to become exceptional in their field, our students are steered by the faculty members of the institution. The staff of the college are the mentors of these young minds and I cherish the pain taken by the teachers during this journey.

We are enduring our journey effectively in the path laid by the founder of the institution Very Rev. O. C. Kuriakose Cor-Episcopa, who submitted his life into educating the multitudes in 1956 by providing primary schooling to children in the nearby zones.

I summon the Almighty for granting his optimal blessings on the institution and its adherents
