## ARTS & SCIENCE COLLEGE

MULANTHURUTHY, ERNAKULAM

(Affiliated to Mahatma Gandhi University, Kottayam)

### INTERNAL QUALITY ASSURANCE CELL (IQAC)

#### ACTION TAKEN REPORT 2021-2022

- Formed a NAAC Steering Committee for the ease in preparation of documents and finalisation of SSR.
- IQAC conducted an annual review meeting of head of each department, conveners of various committees/clubs/cells at the end of the academic year 2021-22 and evaluated the presentations on activities of the departments and cells.
- College ERP system was implemented for the effective academic and administrative e-governance of the institution.
- Seminar on IPR and Research Methodology were organized during this academic year.
- The college set up an E-Content Development Studio to promote e-content development and delivery practices of the faculty.
- The college installed 3KV solar power panel and started to replace conventional lights with LED bulbs and conventional ceiling fans with BLDC fans as an initiative towards saving energy.
- The college management promoted various green practices and also conducted a green audit, energy audit, environment audit during this academic year.
- The college conducted an academic and administrative audit by a committee consisting of external experts as suggested by IQAC at the end of this academic year.
