ANTI-NARCOTIC CELL

ELOCUTION COMPETITION – INTERNATIONAL DAY AGAINST DRUG ABUSE

Date : 26th June 2017
Mode : Seminar Hall
Resource Person : -
Number of Participants : 12
Person in Charge : Remya S

Brief Report

The Anti-Narcotics Cell organized an Elocution Competition as part of observing international day against drug abuse on 26th June 2017. The completion was open to all students. The topic given for the Elocution was 'Drug addiction among teens'. After the tight competition of students from various departments, Kavya Raj of BA English won the first prize. The competition provided a good platform for the students to parade their public speaking talents.

ANTI-NARCOTIC CELL

FLASH MOB – RAISE AWARENESS ON DRUG ADDICTION

Date : 27th October 2017

Mode : College Courtyard

Resource Person : -

Number of Participants : -

Person in Charge : Remya S

Brief Report

On 20th October 2017, a flash mob event was organized by Anti narcotic cell of Nirmala Arts and Science College, Mulanthuruthy to raise awareness on drug addiction. The event aimed to bring attention to the dangers of drug usage, as well as to promote the importance of seeking help for those who are struggling with addiction. Overall, the flash mob event was a powerful and effective way to raise awareness on the negative effects of drug usage. The event began with a small group of people gathering, where they began to dance to upbeat music. As the music continued, more people joined in, until a large group of participants was dancing and cheering together. By combining music, dance, and education, the event captured the attention of many people and provided important resources and support to those who needed it. It is hoped that this event will inspire others to take action and to help those who are struggling with addiction. At the end of their performance, they displayed many charts and placards showing the ill effects of drugs. It was a spectacular performance which gained much appreciation.

ANTI-NARCOTIC CELL

SEMINAR – BREAST CANCER AWARENESS

Date : 04th February 2018
Mode : Auditorium
Resource Person : **Dr Hridhya R S**
: *Gynecologist Sanjeevanam Hospital, Kakkanad*
Number of Participants : 40
Person in Charge : *Remya S*

Brief Report

As a part of observing World Cancer Day, the Narcotics Cell of Nirmala Arts and Science College, Mulanthuruthy conducted a seminar about breast cancer awareness on 4th February 2018. The class was about drug abuse and the harmful effects of tobacco that cause cancer. The programme began with the welcome speech by the Narcotics Cell Convenor, Asst. Prof. Remya S. The session was led by Dr Hridhya R S, Gynecologist Sanjeevanam Hospital, Kakkanad. The seminar on breast cancer awareness was held to educate the students about the disease and promote early detection. She discussed risk factors, signs and symptoms, and screening methods for breast cancer. The event was successful in raising awareness and empowering students on the need for prevention and early detection of cancer. The programme came to an end with the vote of thanks delivered by Asst. Prof. Deepu G.
