### Brief Report

ECC of Nirmala Arts and Science College, Mulanthuruthy started their programmes for the Academic year 2018-19 on June 5<sup>th</sup>, 2018 with Environment Day Celebration in association with NSS, Mulanthuruthy Agriculture Office. The ceremony was inaugurated by the former principal, Prof. Daisy N.O. The event was flagged off by the Asst. Director, Department of Agriculture, Smt. Biji Thomas. The agricultural officers Smt. Biji and Miss. Jyotsana gave insights into modern farming practices and how to various crops rights at one's home. The cell as a new initiative decided to implement a 'butterfly garden' in the college premises. And also to implement schemes like vegetable garden, plastic free zone, green campus etc. Almost 200 plants were planted on the College premises which was inaugurated by planting flowering plants in the butterfly garden by former principal, Prof. Daisy N O, agricultural officers Smt. Biji and Miss. Jyotsana. An awareness class was also held regarding the protection of environment.

### **Tagging Trees**

Date : 15<sup>th</sup> October 2018  
Venue : College Premises  
Chief Guest : -  
Number of Participants : -  
Person in Charge : -

### **Brief Report**

In order to provide awareness on the trees the ECC of Nirmala Arts and Science College, Mulanthuruthy has attached name boards to all the trees in the campus on 15<sup>th</sup> October 2018. Almost 50 big trees of different species are there in the compound of the college. The students were asked to tag all the trees with the name boards. The staff members, principal and manager talked about the importance of some of the trees in the campus. The name board include the Malayalam name, English name and the scientific names of the trees.
