Resource Person	: Dr Paul George Department of Radiation Oncology, Cochin Cancer Research Centre
Number of Participants	: 57
Person in Charge	: Remya S

Brief Report

As part of observing World Cancer Day, the Anti-Narcotics Cell in association with IQAC organised a Cancer Awareness Session on 4th February 2021 through Google meet. Dr Paul George, Department of Radiation Oncology, Cochin Cancer Research Centre offered the session. Assistant professor Remya S, convener of Anti-Narcotics Cell welcomed the audience which is followed by a presidential address by the principal Dr Geetha C A. Then the session was carried out by Dr Paul George. The event aimed at raising awareness about the screening of cancer and its detection and prevention at an early stage. The speaker mainly concentrated on the unhealthy habit of smoking among teens and its after effects. It was an interactive session in which both teachers and students cleared their doubts. The session ended with a vote of thanks by Assistant professor Deepu G.
