Person in Charge	: Eldho Peter

### **Brief Report**

On November 25th, 2022, the career guidance and placement cell of Nirmala Arts & Science College conducted a pre-placement training programme for final year students. The training was conducted by Animol Saju, Nosce Techno Solutions Pvt. Ltd. The primary objective of the Pre-Placement Training Program was to equip the final year students with essential skills, knowledge, and confidence to enhance their employability prospects and prepare them for the upcoming campus recruitment drive. The program aimed to bridge the gap between theoretical knowledge and practical application, thus making the students industry-ready. The training program began with a focus on communication and soft skills development. The students were guided on structuring their resumes, highlighting their strengths, and tailoring them for specific job roles. Aptitude training sessions were organized. The trainers covered essential concepts and frequently asked interview questions. Students were given insights into the group discussion (GD) process, which is a crucial part of many recruitment processes. Towards the end of the training program, mock interviews were conducted. Each student had the opportunity to face a simulated interview, which helped them gain confidence, identify areas for improvement, and receive personalized feedback. The program succeeded in boosting the students' confidence and preparing them for the upcoming campus recruitment drive.
